CRYSTALLINE WONDER LEATHER

This spellbinding timepiece wonderfully captures the dazzling spirit of the Crystalline Wonder family. Crafted with a rose gold-tone finish, the 35mm case features cleverly shaped attachments with a single clear stone in each end, along with another stone placed in the crown. Under the domed glass, the watch's dial is beautifully embellished with Arabic numerals and approximately 1000 crystals for an astonishing effect.

ATTRACT WATCH

The simplicity of stainless steel has been beautifully lifted in this Swiss Made timepiece thanks to the compelling use of 433 crystals. On the silver tone guilloché dial, you'll discover crystals for index markers, while the slender bezel and bracelet are each adorned with their own pavé of dazzling clear crystals.
