TRUE RELIGION

BRAND JEANS®

In 2002, True Religion emerged onto the Los Angeles denim scene by blowing up the construction of the classic five-pocket jean.

With its five-needle thread at two-stitch-per-inch process, the True Religion Super T stitch was instantly recognized for style that was unlike any other denim brand in the world.

True Religion speaks to the uniqueness found in all of us. The brand is worn by athletes, musicians, and artists globally to express their individual style.

Delivering an exclusive assortment of iconic styles, True Religion Brand Jeans focuses on producing high quality premium denim and sportswear.
